

1- Erasmus KA107 outgoing (Mobility in Countries outside the EU)

<https://www.unimi.it/en/international/study-abroad/erasmus-ka107-outgoing>

This programme is designed to promote international mobility of students to carry out studies (attend courses, laboratories or perform thesis activities) in Universities in non-EU "Partner States". The University of Milan currently has agreements for the KA107 mobility program with Georgian Technical University (Georgia), The State Higher Educational Institution (Tajikistan) and Avicenna Tajik State Medical University (Tajikistan).

Duration: 3-12 months

2- Exchange/extra UE

<https://www.unimi.it/en/international/study-abroad/exchange/outside-eu>

The University of Milan offers its students the possibility to enrol in exchange study programmes outside the European Union. These depend on **international mobility agreements** with many countries, including China, USA, Japan, Argentina and Russia.

Every year the university publishes, for each agreement, a call that establishes the requirements and steps necessary to apply for these periods of study abroad.

3-Thesis abroad
